Becky works directly with customers to provide support and service to their individual, group health, life and disability insurance accounts. Becky's role includes producing policy changes and updates, coordinating the issuance of new policies, and processing changes in existing ones. Becky's assistance is not limited to these areas; as your customer service representative, she will also act as a direct liaison between the customer and insurance company underwriters.

Prior to joining Apollo Insurance Agency in 1994, Becky spent 18 years in the financial industry. She is a licensed insurance agent, and received a CISR (Certified Insurance Service Representative) designation in 1997. In addition, Becky is currently working toward a CIC (Certified Insurance Counselor) certification. The completion of this work indicates a commitment to continuing education and enhancement of service. Both designations are marks of distinction, and they are also recognized as symbols of professional excellence and leadership in the insurance industry.
