As a commercial sales agent, Dan is responsible for assisting clients in the selection of all appropriate business and benefit (health, disability, life, etc.) insurance coverage. After policies have been established, he continues to offer his assistance in the capacity of account servicing, making necessary changes, and acting on the client's behalf with insurance providers.

Prior to joining Apollo Insurance Agency in May 2009, Dan spent four years in the marketing industry. He is a licensed agent and received his CISR (Certified Insurance Service Representative) designation in 2010. In addition, Dan is currently working toward a CIC (Certified Insurance Counselor) designation. The completion of this work indicates a commitment to continuing education and enhancement of service. Both designations are marks of distinction and are also recognized as symbols of professional excellence and leadership in the insurance industry.
