As an agent, Tony is responsible for sales of new commercial policies. He will assist in selections of all business and benefit insurance policies required for a business. After policies have been established, he continues to offer his assistance in the capacity of account servicing, making necessary changes and acting on the customer's behalf with insurance providers.

Prior to joining Apollo Insurance Agency in 2010, Tony spent a number of years as an agent and partner in another independent insurance agency. He has been a licensed agent since 1997 and is currently working toward a CIC (Certified Insurance Counselor) designation. The completion of this work will further enhance his service by equipping him with industry-prescribed and nationally recognized tools for helping customers receive the best quality service from their agent.
